5th July 2021

Dear Parent/Carer

As you will know school has managed very well during the pandemic with minimal bubble closures and disruption to our pupils.

Unfortunately however, we now find ourselves in a position where COVID-19 cases are rising in school and this has resulted in a number of recent bubble closures.

Several of the reported positive cases that we know about have been A symptomatic (no symptoms). Staff have agreed to participate in regular testing to combat the spread of infection.

I therefore urge you to take your child for a PCR test or at the very least complete a lateral flow test as a precaution. We have some spare lateral flow testing kits at school should you require any.

We understand that some children do not like the testing experience, but please can you persist as testing helps to prevent the spread of the virus.

Best wishes

Elizabeth Maskell

Headteacher Elizabeth Maskell
B.Ed (Hons), N.P.Q.H.
