

Our Class routines:

Our School Day

Reception Start of the day – 8.55am
Lunchtime – 12noon – 1.00pm

Nursery Start of the day – 8.45am
Lunchtime 11.45 – 12.30pm

End of the day - 3.30pm

End of the day – 3.30pm

Reception Class Routine:

Morning

Registration (either on the carpet or self-registration), phonics, Independent and/or supported play. Guided play and talk.

Children always have access to indoor and outdoor continuous provision.

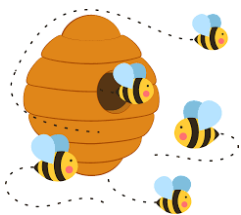

Focussed activities (children are grouped and work on specific tasks alongside an adult).

Snack time (healthy option food and milk or water).

Children are supported and supervised throughout lunchtime. They have their own play area where they are safe, contained and with adults that are familiar to them.

Lunch

Afternoon as the morning routine.

Behaviour – Children at Sabden have very good behaviour with lots of good modelling displayed by most children across the day. In reception class we have an interactive Bee Hive wall display to reinforce good behaviour, positive choices and independence. We also have a whole school house point system where they are rewarded for exceeding expectations in their respect, level of challenge and resilience.

Reading – Once a school reading book is finished pupils are welcome to choose a new book within their phonics phase from our large selection of books in school.

Physical Education – PE sessions are run on Mondays. Pupils wear a separate PE uniform that they wear on this day. The uniform is a white crew neck t-shirt or polo shirt, black leggings or when appropriate black shorts and basic, all black trainers. On PE days children do not wear 'normal' school uniform.

Continued Learning at Home – Sabden offers a range of online activities for pupils to undertake at home. Teach Your Monster to Read and Phonics Play. In reception we also have a home learning journal.

Pupil voice – Children take part in two school questionnaires each year and several specific surveys throughout the year. Children in reception are given class responsibilities which change every term.
