Dear Parents/Carers,

## What a Year!

As we come to the end of another year that has been cruelly interrupted by covid it is with a mixture of sadness and relief that we start our summer holidays this afternoon.

Sadness because our children have missed out yet again on so many of the exciting creative activities and learning that we make it our mission to offer to all those who come to our school, but also for the suffering this disease has caused throughout our community. Of course we are really saddened that our Year 6's won't be able to say a proper goodbye to the school before starting their high school journey. They have been an absolutely super bunch of children and they will be missed. Year 5 have big boots to fill but we are more than confident that they will rise to the challenge. The relief is that we all made it, despite a few bumps on the road in the last few weeks, and that we are open for the majority of children.

When children return in September, it looks like procedures will be slightly looser with no bubbles or social distancing restrictions. If a child returns a positive covid result my understanding is that only that child will self isolate whilst the rest of the children in that class will come to school. If anything changes I will contact you all over the summer holidays. When returning to school, please can all children enter school through the main Clitheroe Road entrance. We are continuing to ask parents to drop off at the gate and not come into school.

Thank you very much all for the support the school has received over this last year and thank you all for your good wishes.

I hope you all have a relaxed, sunny and safe summer holiday. We will see you all bright eyed and bushy tailed on Thursday 2nd September 2021 at 8.45am.

With best wishes,

Elizabeth Maskell and all the staff at Sabden Primary School
