Dear Parents/Carers

Welcome back, we hope you had a nice summer break! It is so lovely to see and hear the pupils back and enjoying school.

We would like to say a big welcome to our new Nursery starters and our new Reception Class. We are delighted with the way they have settled in and adjusted to the new routines of both class and school.

We have two new families who have joined school over the summer holidays, the Dearings and Hamilton-Lesser families, welcome to you both.

At the beginning of each term we will be sending you the What's On at Sabden Primary School for the forthcoming half term. As you can see, we have got an action packed half term with lots more to come.

For our new parents, we use ParentPay a cashless system to pay for school meals and clubs and trips. All payments should be made in advance. Any problems please speak to the office. We also use ParentPay as our method of communication i.e. sending letters home. Thank you to you all for registering. We also use Parent App Lite, which is a safe and reliable way to keep your child's details up to date. Please ensure that you are registered and keep your details up to date.

An additional date for your calendar is School photographs which will be taking place in school on Monday 18th October. Siblings of families who are not at school can join for a photograph and we ask that you come into school at 8.30am for these photographs. Please ensure your child comes to school in full school uniform. Your child will be given a unique code for you to purchase direct from the photographers.

We will be collecting non-perishable food donations for Ribble Valley Foodbank on our School Harvest Celebration day on Friday 15th October. More details will follow soon.

As the weather has now definitely turned to autumn, please can you ensure that your child comes to school with a warm waterproof coat, suitable shoes, and hat and gloves if they wish. Please label with names.

As a reminder the newsletter is published at the end of every month and at the end of each half term.

Thank you for your continued support.

Best wishes Elizabeth Maskell

Headteacher

We would like to thank you so much for your support last Friday for the MacMillan Coffee Morning, held in school. Thank you to the bakers, your donations were wonderful, the visitors who took the time to visit school and the cake buyers. Thank you, thank you thank you!

We raised a massive £380.00—Wow !

**WORLD'S BIGGEST
COFFEE
MORNING**
**MACMILLAN
CANCER SUPPORT**

Please be mindful where you park when you are dropping off and

collecting your child/children. Please check that you are parking safely, responsibly and that you consider the local residents too. We have actually witnessed some shocking parking and bad practises and have constant complaints from parents and local residents. We know who you are!!

Many thanks for your help in this matter.

If your child is not in school— Report it to the office

If your child is absent from school, please call the office to report the absence.

If the office is unattended please leave a message on the absence answerphone. Due to the pandemic we do need to know the full reason for the absence, Just saying they are poorly is not enough information. Please give a brief explanation of symptoms, e.g. sickness, sore foot, upset tummy etc this save the office having to call you back!

We are suggesting that if your child is poorly with cold symptoms, please could they take a lateral flow test.

Recycle 4 Charity

At school we are collecting used/empty ink cartridges and old/used batteries. The collection boxes are in the foyer. As we are not allowing visitors into school, please give them to your children to bring in. Many thanks.

All our parents new and old have been invited by school to register for this app. The SIMS Parent App Lite is a safe and reliable way to keep your child's details up to date.

We are asking all parents to check their child's details and re-submit the form even if no changes are made. Please can this be done as a matter of urgency.

This information needs to be updated by 5th October 2021 at the very latest.

Any problems, please contact the office.

Many thanks.

www.sabdenprimaryschool.com

We have been working on our website and hopefully you will be able to see how fabulous it is looking. The What's On at Sabden Primary School is on our website, this can be found under Newsletters and on the homepage, under the enrichment drop down box, click on What's On.

This will help to keep you up to date with what is happening next at school.

Payments

Please remember to pay in advance for school meals, breakfast club and clubs.

Payments are to be made on ParentPay if you are having any issues, please contact the office who will be happy to help you.
