Dear Parents and Carers,

Its been another busy and exciting 1/2 term with SATs, enrichment clubs, Y6 residential, picnics, and quite a few bank holidays!! There's lots to tell you so here goes...

A **big thank you** to Miss Lofthouse & Mrs Scott for giving up their own time to take the pupils on the residential last week. The children were very well behaved and all managed to say thank you to the teachers for their memorable trip. They all had a fantastic time.

**Diabetes UK** Well done to Alistair in Year 5. He took up the challenge of "Run a mile a day" to raise money for Diabetes UK and raised over £500.00. Fantastic work Alistair very well done.

**Rehearsals** are continuing for our performance of Joseph which will take place on 5th & 6th July—more information on tickets etc will follow next term.

**School group photographs** will take place on Thursday 15th June. Weather permitting these are usually taken outside. Please can we ask for smart uniforms.

**We really need your help**—We are hosting a volunteer day on Friday 9th June. We are asking for any one who can help us to come forward and help with jobs — flyer attached.

**Den Building** is on Thursday 22nd June. This is an opportunity for our children to invite their dad, step dad, uncle, grandfather, big brother or other male role model, to join them for a morning of fun. Please let the office know by 15th June if you are able to join your child. Flyer attached.

**Film night** is now on ParentPay—£5.00. This is for pupils in Reception to Year 6 and will run 3.30pm until 5.15pm. Payment deadline is 13th June 12noon. Remember no payment no place! Flyer attached.

KS2 children—we feel that children is KS2 are old enough to remember their things to go home. We cannot have children coming back into school to collect items they have forgotten. Please remind your child of this.

We have had numerous late collections of children this half term and therefore we are reviewing our late collection policy. We do understand that occasionally things do happen but when they start becoming normal practice actions will need to be taken.

Please can you avoid routine dental and medical appointments during the school day. Again we understand emergencies but please try to do them outside term time and the school day.

The annual school reports will be emailed to you again this year. Therefore it is vital that you look at your ParentApp to double check your email and details are correct. Any problems, contact the office.

We are sure you have noticed but we are having regular visits from the local police as they are monitoring traffic and parking around the village and school in particular. It is such a busy, fast road outside school so we welcome their visits to help us make school a safe place.

If you feel that your circumstances have changed financially and that you might be eligible for pupil premium, please contact the office for information.

Reminder that our Breakfast Club has places available open from 7.30am, breakfast is provided and the cost is only £5.00 per session.

Wishing you a nice 1/2 term holiday. We return to school on Tuesday 6th June 2023, gates open at 8.45am.

**Thank you for your continued support, Elizabeth Maskell.**

SABDEN PRIMARY SCHOOL
