Dear Parents

Last night I received this email from a concerned resident of the village.

"Over the past few weeks it has been noted on a number of occasions that parents are parking very dangerously outside school and parents are gathering in large numbers with very poor social distancing after they have collected their child, very often leaving us with no room to walk on the pavement with very small children and having to walk in the road.

I appreciate it's difficult where the school is located without much parking etc and you as staff have enough to do without extra stresses and people management. I just wondered if it may be worth sending a quick reminder to parents".

Please remember to park responsibly and do not park on the zig zags, on double yellow lines or blocking any driveways, and try to collect your child/children and leave the pavement quickly.

Can I remind you to observe social distancing when collecting your child/children and the collection points are as follows:

EYFS - please wait at the side gate on Clitheroe Road.

Class 1 - please wait within the school gates on Whalley Road

Class 2 - collect from the memorial garden.

Class 3 - collect from the pavement outside school on Whalley Road

Yours sincerely

Elizabeth Maskell  
Headteacher
