Dear Parent/carer

21st January 2021

Calling all budding artists in Year 4 and Year 5!

We are delighted that we have been asked to help Sabden Parish Council by putting our wonderful artist skills to use. We, as well as St Mary's school, have been asked if we can help with the design of logo for the project detailed below.

What is Calico and Clogs?

Sabden parish council, with funding from the Pendle Hill Landscape Partnership's Pendle Hill Fund, supported by the National Lottery Heritage Fund, **are launching a local heritage trail that guides you through the village of Sabden**, which will take you back in time to when there were seven mills with over 2000 workers producing textiles in the village.

Calico reflects one of the main textile products and **clogs** would be worn by many in the mills as practical footwear to work in.

How does it work?

A map, leaflet and a series of information boards will guide the visitor from mill site to mill site and, through text and historic photographs, depict everyday life for the village residents in those industrial years. The route will be pushchair and wheelchair friendly and less than a mile - so easy for all!

How you can help! This is where you come in....

To get the project started they need a logo for the trail that can be used on the map, boards, leaflets and publicity material etc. The logo should reflect the texture of fabric and the sturdiness of clogs, however, all ideas are welcome.

The logo needs to be easy to reproduce, can be black/white or full colour, can be hand drawn or digitally produced and needs to be A5 in size (that's half the size of A4 paper).

Deadline for the submission of artwork is 12th March 2021. Please email your design to office@sabden.lancs.sch.uk. A local artist will be judging the entries.

Good luck and thank you for taking part.

Yours sincerely

Mrs E Maskell
