

RE SMSC at Sabden Primary School

Spiritual	RE supports spiritual development by exploring a range of religions and explore ways that people worship, celebrate events and show that they are part of a community.
Moral	RE supports moral development by encouraging children to learn about what is right and wrong. Discussing the morality of different stories and why they are an important part of different religions and cultures.
Social	RE supports social developement by encouraging students to discuss ideas respectfully, listen to others' viewpoints, and work together. It helps them understand how different beliefs shape communities and promotes tolerance, empathy, and positive relationships in a diverse society.
Cultural	RE supports the cultural development of a child by exposing them to a wide range of religions, cultures and practices. Children learn about a range of celebrations and explore traditions from different cultures.
