

Understanding the World

The World

We will be looking closely at the changing seasons from Autumn to Winter and look at how our immediate outdoor environment is changing through this season. We will also explore Spiders and Hibernation.

We will be learning about my family timeline

Religious Education -Special Times

We will continue to explore **How and Why** we Celebrate. We will also learn about The Nativity and perform our own Production of it.

We will be preparing, reflecting and celebrating the festivals of Remembrance, Bonfire Night, and Christmas.

Physical Development

Yoga, Independence Skills, Gross and Fine Motor Skills

- Using the 'Elmer' stories and Fantasy Fair Tales We will be will experimenting with various types of movement to build on skills linked to the 7 areas of learning.

Communication, Language and Literacy

Our main Literacy Text this term is Hansel and Gretel

Through our **Hansel and Gretel** story, we will develop our listening, attention, understanding, and speaking skills. We will also focus on learning and using key vocabulary from the story.

- Introducing the Story & Predicting
- Reading the Story & Exploring Feelings
- Exploring the Setting
- Sequencing the Story
- Acting Out the Story

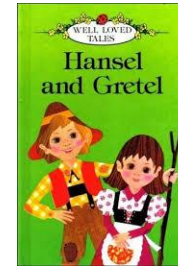

Personal, Social and Emotional Development

Our Theme: Valuing Difference

We will be focusing on the following three areas: Same and Different you and Me, Different Families and Home and Kindness and Caring.

We will continue to celebrate our daily successes, develop our resilience and be confident in trying new challenges which we can then share.

Magic Monsters and Mayhem (A2) Nursery

Expressive Arts and design

Music

We will be using Charanga and following the topic 'My Stories' to further develop our listening skills and knowledge of music.

We will continue to learn new songs, rhymes and dances related to our topic.

Make use of props and materials when we role play characters in narratives and stories.

Art and DT

In art we will be 'Exploring Colour' we will be interacting with the world through our senses developing our early knowledge of colour and colour mixing.

We will grow in confidence when speaking to others, learn and use new vocabulary, listen carefully, and retell stories in our own words.

Phonics

We will continue with rhythm and rhyme, singing familiar nursery rhymes, listening and identifying environmental sounds.

Maths

Maths in Nursery

In Nursery, we make maths fun and meaningful through play, songs, stories, and everyday experiences. Children explore counting, shapes, and patterns as they play and discover that maths is everywhere!

We introduce the five counting principles in simple, playful ways – counting carefully, using numbers in order, knowing how many there are, counting anything, and understanding that the total stays the same.

Wow Moments and Certificates

Please continue to send in your child's WOW Moments and any other certificates, this has been huge success with our children, as a class we all love to hear about and celebrate their

Supporting our Learning From Home

As always if you have anything your child would like to bring into school to share with our class to support our learning, we would be very grateful.

Trips, visitors, and family links

There is a lot going on this term please refer to the whole School 'What's On' for all the key dates.
